

CalARP/RMP/PSM Services

"We Lay the Groundwork for Success"

Overview

Condor assists with the development and implementation of California Accidental Release Prevention (CalARP), Risk Management Plan (RMP) and/or Process Safety Management (PSM) Programs. With more than three decades of industrial compliance experience, Condor is your go-to source for regulatory compliance program support.

CalARP/RMP/PSM

CalARP/RMP/PSM programs require ongoing compliance efforts. Condor helps manage and maintain compliance of your regulated processes. Condor's services include:

- CalARP/RMP/PSM program management and implementation assistance;
- Process Hazard Analysis (PHA) or Hazard Review updates (due every 5 years or when major changes occur)
- Compliance Audit (due at least every 3 years)
- Mechanical Integrity Audits
- Operating Procedures
- Process Safety Information development including assessments of relief and ventilation design
- Training including CalARP/RMP/PSM requirements
- Emergency Response initial and refresher FRA, FRO, Industry Technician and Incident Command training
- Management of Change (MOC) and Pre-Start Up Safety Review (PSSR) assistance
- Maintenance Program forms and procedures
- Off-Site Consequence Analysis (due every 5 years under CalARP)
- Contractor qualification and safety reviews
- Incident Investigations
- Preparing for inspections and responding to regulatory agencies
- Documenting CalARP/RMP/PSM exemptions and applicability
- Coordinating emergency response actions; and
- Providing guidance and periodic compliance assessments.

Ammonia System Machinery

Additionally, Condor develops compliance programs for other local, state and federal environmental and hazardous materials regulations including:

- Environmental Compliance Audits
- Hazardous Materials Business Plans (HMBP)
- Spill Prevention Control and Countermeasure Plans (SPCC)
- Steel Tank Institute (STI) formal external tank inspections
- Hazardous Waste Tank Assessments
- Department of Homeland Security Chemical Anti-Terrorism Facility Standards (CFATS)
